### Special Notes

\* In order to assist our staff and provide better service, we would greatly appreciate being notified of any accommodations a participant may need at least two weeks prior to the class start date.

\* The City of Redmond and its staff does not provide personal services such as feeding, dressing, and toileting. Participants are responsible for providing their own attendant for personal services. Participant attendants will not be charged for the class, however, we ask that you call our registration offices at 425-556-2300 x 3 and register them as the participant's attendant so that we do not overbook the class.

\* Should any participant behave in a manner that threatens the safety of the staff, fellow participants or themselves, they may be immediately dismissed from the program.

## Day Camps

### Adaptive Recreation Day Camps

Adaptive Recreation Day Camps are specifically tailored for people with developmental disabilities. Each week we'll focus on a fun new theme with activities such as sports, arts and crafts, drama, science, games, nature walks, swimming at Lake Sammamish, field trips and a whole lot more. Campers should bring snacks and lunches, as well as dress for the weather. Campers needing individual assistance to participate in the program, including toileting, feeding, and dressing, must bring an attendant with them to the program. You may reserve your spot in day camp by paying in full, or with a \$35 non-refundable deposit per week, which will be applied towards the camp fee if the balance is paid in full two weeks before camp is scheduled to start. Ages 13+ years.
